2. There is no doubt that this fiscal year will be a most difficult one for the Directorate. We have a staggering list of hard (i.e., bills to be paid) unfunded requirements. Since I have chosen not to impose an assessment on your resources to assist in covering all of these requirements, you must be very prudent in the execution of your budget, keeping in mind that additional relief may not be forthcoming. You should also remain acutely aware of any potential surpluses which we may use to cover the Directorate's most pressing needs.

3. On your behalf we have requested that the Comptroller approve the following reprogramming actions:
